COMMON SENSE KEYNOTES

Astonishingly Good Leadership

*Common sense but powerful concepts on what
it takes to be a great leader*

People will learn:

- Five characteristics of every great leader
- How to put these characteristics secrets to work
- What every follower wants from his or her leader
- How to get the people you lead to want to follow you
- Six steps for conducting astonishingly good conversations with the people they lead
- Three types of discussions every astonishingly good leader has mastered

This topic is available as a keynote speech, a half-day or full-day workshop.
