COMMON SENSE KEYNOTES

Beyond Lombardi and Auerbach

*Common sense ideas for building and maintaining
a high performing team*

People will learn:

- Why teamwork is important
- The three building blocks of all successful teams
- How to create a powerful and compelling team purpose or charter
- How to deal with the most common internal team issues
- How to build strong relationships with important constituencies outside of the team

This topic is available as a keynote speech, a half-day or full-day workshop.
