Dear Bud:

I just wanted to say thank you for the outstanding talk you gave at our Committee of 100 meeting last week.

The feedback has been unanimous – your were great!

Our membership really appreciated your down to earth style and common sense advice about running a business. They also enjoyed how you presented your ideas and material using a number of real life examples and stories – not to mention your warmth and humor.

Thanks again for bringing your common sense to Lee County.

Sincerely,

A handwritten signature in black ink that reads 'Bob'.
